Despatches from the West state that war-
rants have been issued for the arrest of Ed-
ward Corriggan, starter kit, claim, Secretary
Harris, Kuhl and a number of bookmakers,
horsemen and jockeys. This would in-
dicate that the state authorities had accepted
Judge Collins' opinion that the law relating
to gambling in racetracks was unconstitutional,
and are determined to close up the
race-tracks. Attorney Mudge is the com-
plainant, and his clients are residents of Oak
Park, who claim that the track is the cause
of the demoralization of that and surround-
ing suburbs. It is more than likely, however,
that the Garfield Park people have a finger in
the pie. The warrants were not served yester-
day, but no doubt Corriggan and others will
be arrested at the track to-day.
